

MOGS

Make room for good work.

Team scheduling for
the work ahead.

Fictional MOGS campaign

MOGS

A little more room in the week

A shared plan begins with a conversation.

Who needs to be there. What needs to happen.

MOGS is team scheduling software.

Plans for your team

Starter is \$30 a month.

Team is \$80 a month.

Team is only \$50 a month more than Starter.

MOGS

A year of room

20%

Save 20% on Starter with annual billing.

Starter is \$288 a year, or \$24 a month billed annually.

MOGS

Your next week, with more room.

Starter costs about a dollar a day.

Let's talk about your team's schedule.
